Name an Application and
we have a fastener ready for it.

Capital Bolts and Hardwares is a large-scale company specializing in producing standard fasteners. Our company was established in 1959 and is located at Capital Towers, Gill Road, Miller Ganj, Ludhiana, Punjab which is the biggest national fastener distributing center. Our company covers an area of more than ten thousand square meters and is next to the G.T. Road (City Limits). What's more, the transportation here is convenient because the Ludhiana Railway Station is just 2 kms and National Airport Sahnewal (Ludhiana) is 12 kms. away from the company. After many years of development, our company has advanced facilities for producing screw bolts and complete equipment for product inspection.

Mr. Satish Kumar Nagpal
Chairman

Mr. Hitesh Nagpal
Director

Our company specializes in producing high strength bolts with large hexagon head for steel structures, high-strength bolts and nuts of grade 4.6, 4.8, 5.6, 6.8, 8.8, 10.9 & 12.9, hot dip galvanizing standard components, electro-galvanized standard components, double threaded bolts, full thread screws, foundation bolts, high quality fasteners as per ANSI, DIN and BS standards, plain cushions, spring cushions, inner-hexagon bolts, iron pagoda bolts and nut sets, guardrail bolts used in expressways and special shaped components with various lengths and specifications of m12 to m68.

We have won an excellent reputation in fastener industry with high quality products and considerate services for a long time. Our products sell well all over our country and are exported to many countries and regions, such as Southeast Asia, the Middle East, Europe and America. What's more, we have received high public praises and our company was awarded titles of "Honor Credit and Promise", "The Leading Enterprise in Fasteners Industry" and "Civilized Enterprise". Our company always adheres to the principle of "quality first and good faith supreme". "To satisfy customers" is our persistent aim. We sincerely welcome the visits of all customers as well as the negotiations with business partners from all over the world.

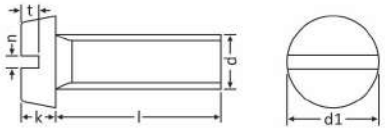

Our company is vowed to save our environment. So to preserve our Mother Earth, we have started a Green Initiative. We get our products manufactured at environmental friendly premises are coated from ROHS compliant companies and we work with vendors who strictly adhere to affluent treatment and disposal norms. Furthermore, we plant a tree for every new customer who becomes a part of our family. So lets work together as a team to Save Our Environment and do business for each other's growth.
